Mr. Richard Crist  
President/CEO  
Waymaker Consulting, LLC  
Indianapolis, IN

To Whom it May Concern:

This is to inform you that we have done business with our vendor, Stafford Insurance Group, for more than five years. We are pleased to report that all business has been conducted by Mr. Stafford and his company in a highly satisfactory manner.

Mr. Stafford and his staff have always been most helpful in providing information and advice about the everyday insurance needs for Milwaukee Resistor Corporation. Having experience in dealing with District 10 of the International Association of Machinists and Aerospace Workers, AFL-CIO, Stafford Insurance has worked hand-in-hand with MRC in developing comprehensive benefits packages that meet the needs of our most valued asset, our employees.

Although MRC is located in Milwaukee, Wisconsin, Mr. Stafford and his staff have made visits as needed to meet with employees to discuss their concerns and benefits. Employees are encouraged to call Mr. Stafford and his staff to discuss the best way to utilize their benefits as circumstances present themselves.

If you wish further information, please write or phone.

Sincerely,  
MILWAUKEE RESISTOR CORPORATION
