RE: Michael Stafford - Stafford Insurance Group

To Whom It May Concern:

I have had the pleasure of being both a client and a friend to Michael Stafford for over 2 years.

In and out of the office, Michael conducts himself with enthusiasm and integrity. He can be counted on not just to work hard, but to represent Grange in a positive light. I know of numerous occasions where I have seen how generous Michael is to the community. He is a talented agent with excellent communication skills and a strong moral compass.

For these reasons, I have no hesitation in recommending Michael to your company.

If you would like any further details about Michael, please do not hesitate to contact me at (765) 610-2233.

Sincerely,

Ryan Eppert
